Email: [vladimir.mikan@cewinzenjering.hr](mailto:vladimir.mikan@cewinzenjering.hr)

### Information about related entities:

There are no economic entities with which the contracting authority is in a conflict of interest based on the principle of avoiding conflicts of interest as defined by the procurement procedures.

### Procurement description:

The subjects of the procurement, for the needs of the project, are divided into 2 groups, as follows;

- **Group 2** –Purchasing and transport of machine for the attachment of the grinding corb

The bidder for each group is obliged to submit a bid that includes the total subjects of procurement as described in detail in paragraph *Technical specifications*. The general condition is that the subjects of procurement is complete with all necessary devices and equipment, and components (for full operation without the need for additional procurement of any parts or devices to make the equipment work and being fully operational. All costs, including equipment transportation, unloading, installation, commissioning and training need to be included.

Procurement involves a „**turnkey system**“.

"*Or equivalent*" applies to all items of the subject of procurement.

#### Estimated value of procurement:

Estimated value of procurement is 70.000,00 Euro without VAT. It is divided as follows:

- **Group 2 Machine for the attachment of the grinding corb** – 70.000,00 Eur without VAT

#### Deadline and address for submission of bids:

The deadline for submission of bids is 20 calendar days and runs from the first day following the date of publication of this Invitation to bid.

Bids must be sent on e-mail address: [vladimir.mikan@cewinzenjering.hr](mailto:vladimir.mikan@cewinzenjering.hr)

#### Documentation to be submitted by the bidder:

The bidder must submit the filled and signed bid form for the group it is bidding  
*ANNEX2\_2024/02\_Bid submission form – Machine for the attachment*

The alternative bids are not allowed.

The bids must contain the information on all required technical specifications and must meet every technical requirement defined in this specification.

Tenderers must submit their tenders either in English or in Croatian.

#### Deadline and venue for delivery of goods:

30 days from the signing of the Procurement Contract, location of the production site –

#### Terms and conditions of payment:

Payment:

- 40% in advance after signing the Procurement Contract,
- 40% prior to delivery upon bidder's confirmation about readiness of the equipment
- 20% after delivery, successful installation, commissioning and education, within 30days, according to the invoice issued and provisions of the Procurement Contract

#### Awarding criteria:

After the deadline for submission of bids, all received bids will be evaluated, and the bid that meets all technical specifications and has **the most points** will be selected in the procurement procedure.

The points will be awarded as follows

- Lowest price – 70% of points
- Response time to service call-30% of points.

#### Provisions relating to the community of bidders (consortium):

Several economic operators may join forces and submit a joint bid, regardless of the arrangement of their mutual relationship. The responsibility of the members of the bidder's community is joint and several. If the bidder acts as a community of bidders, he is obliged to fill in *Table 1\_Members of consortium* within relevant Bid Submission forms. A bidder who has submitted a bid independently may not participate in a joint bid at the same time. The joint bid must specify which part of the procurement contract (cost item, quantity, value, and percentage) will be performed by each member of the community of bidders.

The Contracting Authority shall pay directly to each member of the community of bidders for that part of the contract which he has executed unless the community of bidders determines otherwise.

#### Provisions relating to the subcontractors:

If the tenderer intends to subcontract part of the procurement contract to one or more subcontractors, he must fill in *Table 2\_Information on subcontractors* for each subcontractor within *ANNEX1/2\_2024/02 Bid submission form* of the Invitation to bid, i.e. the bidder must state the part of the Procurement contract he intends to subcontract. The participation of subcontractors shall not affect the bidder's responsibility for the performance of the procurement contract.

#### Additional information:

The bidder may request additional information at the latest by three (3) days before the deadline for submission of bids, at the e-mail address: [vladimir.mikan@cewinzenjering.hr](mailto:vladimir.mikan@cewinzenjering.hr)

In case unsuccessful tenderers believe their tender has been unjustifiably rejected, or inappropriately rated, they may submit an appeal to a Fund Operator electronically (using the following email address: [cro.innovation@innovationnorway.no](mailto:cro.innovation@innovationnorway.no)), within five (5) days from the day of being notified.

Appeal must be written in English, appropriately argued, and supported by evidence, as appropriate. At the same time, copy of appeal must be sent to Contracting Project Promotor, who must send the entire package of Procurement Documents to Fund Operator immediately, and may provide its counterarguments to Fund Operator within five (5) days from receipt of copy of appeal.

#### Technical specifications:

The bidder is obliged to submit a bid that includes the total subject of procurement as defined in the technical specifications.

*"Or equivalent" applies to all items of the subject of procurement.*
